

TO ALL FLIGHT CREWS AND OPERATORS ARRIVING AT ATLANTIC AVIATION LAS VEGAS

THE WEEK OF 10/9 - 10/12/2017

We have enhanced our flight support plan for NBAA 2017. Our top talent is coming in from all over the country to help support the event and we have allocated plenty of state-of-the-art equipment and enhanced technology in efforts to providing a wonderful service experience.

We expect a large influx of traffic in and out of the airport during the event weekend. Therefore, we would like to advise of some details to ensure a smooth visit during your stay with KLAS.

Our plan includes the following:

1. McCarran has requested that the FBOs operate through a ramp reservation system. It is mandatory that all aircraft have a reservation prior to their arrival.
2. Any delay in arrival time must be communicated to the FBO within a three-hour window of the original ETA. If notice is not received within the window, your reserved spot may be forfeited.
3. A non-refundable special event fee of \$500.00 will be required to hold each reservation.

We appreciate your business and look forward to serving you during such an exciting event for Las Vegas!

Cordially at your service,
